Sir,

Subject:— Extra staff to the Rationing Office, Bangalore City, in connection with the Pulses and Jaggery Control.

Adverting to G.O.No.SD.3968-71/A.276-44-2 dated the 16th December 1946, sanctioning the continuance of the existing rationing establishment in Bangalore City, till the end of June 1947, and negativing the proposal regarding the additional staff proposed by this office, I have the honour to state that it is reported by the Rationing Officer, Bangalore City, that the ministerial work in his office has very much increased and continues to be on the increase from day to day and that there is no competent senior clerk in his office, there being a wide gap between the Manager on Rs.100/- and the clerks on Rs.50/-.

2. The Rationing Officer, requests in the circumstances explained by him, sanction to the appointment of the marginally* noted Executive and ministerial staff to cope up with the additional work that has devolved on his office in connection with the administering of the pulses and Jaggery Control orders.

Ministerial:
One Senior Clerk on Rs.75/- p.m.
One Junior Clerk on Rs.40/- p.m.
Executive:
One Asst. Food Inspector on Rs.50/- plus 10/- C.A. for Jaggery Control work.

3. I am of opinion that the additional staff asked for by the Rationing Officer, Bangalore City, involving an extra cost of Rs.229/- per month(including Dearness Allowance at the existing rates) is very necessary.

4. In the circumstances, I request that sanction of Government may be kindly obtained to the appointment of the extra staff of two

p.t.o

clerks(one on Rs.75/- and the other on Rs.40/- p.m.) and one Assistant Food Inspector on Rs.50 plus 10 C.A. for dealing with the work relating to pulses and Jaggery Control orders till the end of June 1947 in the first instance.

5. A copy of the letter No.Ei.154-c.1295/46-47 dated 10-12-46 from the Rationing Officer, Bangalore City, is herewith enclosed for favour of information of Government.

Copy of letter No.(Confidential) E1.154-c.1295/46-47, dated 10th December 1946, from the Rationing Officer, Bangalore City, to the Director of Food Supplies in Mysore, Bangalore.

I have the honour to state that consequent on the transfer of the work of distribution of Pulses and granting of Jaggery licenses etc., in Bangalore City from the Deputy Commissioner, Bangalore District to the Rationing Officer, Bangalore City, the ministerial work in this office has very much increased and continues to be on the increase from day by day. There is no competent and experienced Clerk who could attend to these items of work in this office. The existing staff of the office consists of one Manager on Rs.100/- and all the others are junior officials whose pay ranges from Rs.25/- to Rs.50/-, one of the two Clerks on Rs.50/- being entrusted with cash work. It will, therefore be seen that there is no senior official who could be entrusted with this responsible and important work. The Manager of the office cannot devote his time to case working as he has to supervise the work of other officials. The work of these two Sections, is therefore, much handicapped. Besides, the drop in the salary is very great from the Manager on Rs.100/- to the next lower official on Rs.50/- and in the absence of the Manager, there is no other senior hand who could supervise the work of the other officials.

On a careful consideration of the position both in point of quality and volume of work, I feel there is need for extra staff to cope with the additional work devolving on this office in administering the Pulses and Jaggery Control Sections:--

Ministerial:--	1. One Senior Clerk on Rs.75/- 2. One Junior Clerk on Rs.40/-	To attend to the correspondence etc.relating to Jaggery Control and distribution of pulses.
Executive.	1./Assistant Food Inspector on Rs.50 plus 10 C.A.	To attend to executive work in connection with Jaggery Control similar to the one Asst.Food Inspector sanctioned in G.O.No.SD.3351-54/A.131-46-2 dated 6-11-1946 for distribution of pulses.

Flag 'D'

The extra cost on this account will be Rs.229/- p.m.

In view of the urgency and importance of the work, I request that necessary sanction of Government may be kindly obtained to appoint the additional staff now proposed and that I may be permitted to appoint the staff ~~now proposed and that I ma~~ in the interest of quick and efficient discharge of work.

Favour of early orders is requested.
